Dear Owners, Lessees, and/or Operators of Mobile & Manufactured Home Parks & Courts,

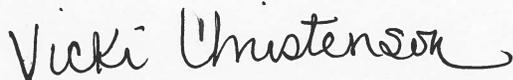

All Personal Property is appraised and assessed as of its location January 1st per Kansas Statute K.S.A. 79-301. Enclosed please find the form the county has provided, for the purpose of listing the mobile and manufactured homes located in the park, as of January 1. **Please return the completed form to the Geary County Appraiser's Office by January 31.** These forms are very important for our appraisals, and tracking of the mobile and manufactured homes. Please contact Vicki Christenson if you have any questions or concerns.

Please be sure to list the OWNERS and NOT RENTERS! The owners are responsible for the personal property taxes on the mobile unless otherwise noted in our office. Please include first and last names.

Also, please indicate whether the OWNER is military.

Thank you in advance for your prompt reply. If you have any questions, please do not hesitate to call our office.

Sincerely,

Vicki Christenson
